Students can access Canvas from the Righetti web page and will receive their login information when they pick up their laptop. Students will receive an orientation to Canvas during the first week of school.

Aeries Portal

Parents & students can check academic progress, assignments, and attendance through the [Aeries Portal](#). Parents will receive an email with login information as soon as your email is entered into our system during registration. If you did not receive login information, please contact the Counseling & Guidance Office for assistance. You will be prompted to update your contact information the first time you log into the Aeries Portal. **STUDENTS WILL RECEIVE LOGIN & PASSWORD WHEN THEY PICK UP THEIR LAPTOP.**

Meal Program

NO COST BREAKFAST AND LUNCH WILL BE AVAILABLE TO ERHS STUDENTS DURING THE 2021-22 SCHOOL YEAR. [Click here](#) to visit the school website for more meal information. To ensure maximum student support services for your high school student(s), please complete the [Household Income Data Survey](https://family.titank12.com/income-form/new?identifier=T8X7HA) online at <https://family.titank12.com/income-form/new?identifier=T8X7HA> no later than October 31, 2021. This survey will ensure that your high school student(s) has access to all eligible resources, including waivers for college admissions testS and applications, discounts on home internet, and it also generates additional State and Federal funding to support supplemental education programs and services at our high schools. Applications are also available on campus.

Transportation

Residential addresses located outside a three-mile radius of Righetti High School are eligible for bus transportation. The District Transportation Department will mail a letter to eligible families regarding bus schedules prior to the first day of school. Student must present school ID to board the bus. Laptop

Each student will receive a school issued laptop. A computer technician is available in the library to solve problems on site. The district has established a 24/7 Tech Hotline to address technical issues/questions. Technical staff will troubleshoot and, whenever possible, solve problems remotely. Students are instructed to leave a message and it will be addressed in the order it was placed.
