## WHAT IS THE HOLLAND MODEL?

The Holland Codes can tell you about your personality style. People can display the traits of one or more of these six personality styles:

**Builders** like to use tools and machines to repair and install things. They are practical and good at using their hands.  
Holland Code: REALISTIC

**Thinkers** like to research and solve complex problems. They are logical and curious, and invent theories they try to prove.  
Holland Code: INVESTIGATIVE

**Creators** like to design, write, paint, and perform. They value intuition and imagination, and enjoy expressing their ideas.  
Holland Code: ARTISTIC

**Helpers** like to care for, counsel, and teach people. They value cooperation and

# Holland Hexagon

With countless career opportunities, John Holland's Model of Occupational Themes organizes interest areas to help you find compatible work environments. Are you realistic, investigative, artistic, social, enterprising or conventional?

Turn to your  
neighbor and  
share

- 1. What was one of your personality styles? Did it fit you?
- 2. Did you see a career that you had never thought of before? What was it? Did it interest you?
- 3. What school/program did you explore? Where is it? Did you see any schools/programs that you didn't know about?
